Florida Sunshine State Standards

***Discovering Dolphins* –** Lessons for Grades 6-8

Lesson Title	Science	Nature of Matter SC.A.1.3.1	Energy SC.B.1.3.6	Processes of Life SC.F.1.3.1	Processes of Life SC.F.1.3.7	Processes of Life SC.F.2.3.3	Living Things/Envir. SC.G.1.3.1	Living Things/Envir. SC.G.1.3.2	Living Things/Envir. SC.G.1.3.3	Living Things/Envir. SC.G.2.3.3	Living Things/Envir. SC.G.2.3.4	Nature of Science SC.H.1.3.1	Nature of Science SC.H.1.3.2	Social Science	People, Places, Envir. SS.B.1.3.1	People, Places, Envir. SS.B.2.3.6	Gov't and the Citizen SS.C.1.3.2	Language Arts	Reading LA.A.1.3.4	Reading LA.A.2.3.2	Listen./View./Speak. LA.C.3.3.3	Mathematics	# Sense/Conc./Oper. MA.A.3.3.1	# Sense/ConMA.A.3.3.2	Algebraic Thinking MA.D.2.3.1	Data Analysis/Prob. MA.E.1.3.1
Acoustics			X					X																		
Classifying Marine Mammals									X																	
Dolphin Bodies						X																				
Dolphin Divers		X				X							X													
Estimating Population Size										X																
Mapping Cetacean Distributions										X					X											
Marine Mammal Law Debates											X					X	X				X					
Marine Mammal Meals-Determining Dolphin Diets					X																				X	
Marine Mammal Meals-Graphing Sea Lion Diets					X																					X
Marine Mammal Meals-Placing a Fish Order					X																		X			
Marine Mammals in the News											X	X							X	X	X					
Photo Identification								X																		
The Retia Mirabilia (Dolphin Physiology)						X																		X		
Temperature Regulation				X									X													
Viruses and Dolphins							X																			
Who Polluted the Bay?											X
