

HOST YOUR NEXT MEETING OR CONFERENCE AT

Ask About Weddings and Other Occasions

Dolphin Research Center
offers several beautiful settings
that are sure to make your event truly special.

Founded in 1984 as a non-profit marine mammal research and education organization, Dolphin Research Center provides sanctuary and a forever home to a family of dolphins, sea lions, birds and tortoises.

Daily visitors, members, donors, and people like you enable us to do amazing things in animal care, manatee rescue, education, research, and special programs.

Thank you.

DOLPHIN RESEARCH CENTER

Beautiful spaces with modern amenities
provide a unique experience in the heart of
the Florida Keys

Dolphin Research Center
Mile Marker 59
Overseas Highway
Grassy Key, FL 33050
305-289-1121, ext. 241

Whether you're planning a Board Meeting for 12, corporate training for two dozen, or a workshop for up to 140 people, Dolphin Research Center accommodates your group in style.

Two separate rooms each hold up to 70 attendees in Theater Style or up to 44 people for dinner. Classroom style seating and other arrangements are also possible, of course.

For technical needs, a full screen monitor and wi-fi capability are available in each room.

The airy outside porch is perfect for smaller breakouts or for serving a meal "al fresco".

Create lasting memories for your attendees when they meet a member of our dolphin family or participate in another interactive program.

For pricing, reservations, or to discuss your needs, please email/call: Amy at 305-289-1121, ext. 241; amy@dolphins.org.
