Premier Corporate Event Space in the Middle Keys

Situated over DRC's Welcome Center are two spacious rooms that are perfectly suited to host corporate events of all kinds.

The awe-inspiring water and dolphin lagoon views from the balcony elevate any event. Whether here for a day-long retreat, a team-building session, or other business function, your attendees will love the unique surroundings.

The perfect environment and amenities invigorate your group and inspire them to tackle problems and create innovative solutions.

From VIP Board Meetings for 10 to conferences welcoming up to 140 attendees, we have the space featuring versatile layouts and can customize your event to best suit your needs.

Flexible Space in an Ideal Location

Conveniently located between Miami and Key West airports, Dolphin Research Center is an easily accessible venue. We are one of the few Corporate Meeting venues in the Middle Keys offering state-of-the-art technology and competitive rates.

Located in close proximity to top accommodations, attractions and other activities, beaches, and more.

Space Features

- The Key Largo Room and Key West Room, each seat up to 70 people in Theater Style or 44 in Dinner Style.
- Maximum capacity of 140 attendees.
- Other layouts also available.
- The connected Outside Porch with its water view offers additional buffet, networking, or breakout space.
- Building includes small kitchenette, two restrooms, and wheel chair lift to the second floor.

Create Lasting Memories

Connect your attendees with our dolphin family in a fun-filled program

For an event they'll never forget, connect your attendees or their guests with our dolphin family in a fun-filled interactive program. These are great for corporate incentives and team-building experiences when they share the experience of interacting with dolphins.
